The Turning Times is published monthly as an information source for members of the East Texas Woodturners (ETW). ETW is a chapter of The American Association of Woodturners (AAW) and is committed to serving woodturners in the East Texas area surrounding Tyler, Texas. The ETW Chapter joins with the AAW in its dedication to providing education, information and organization to those interested in woodturning.

## Meeting at TJC West

January 23rd, 2010

### The Prez Says:

Hello ET Turners,

This is the beginning of another new year and our club has several new things to tell you about. First, I will be President for the next two years and **Wayne Smith** will be Vice-President. All other Officers stay the same.

Second, we are expanding our Team concept to various functions within the club. Currently, the majority of the club business is conducted by the Steering Team made up of Officers and other club members. This team meets quarterly and is open to all members so if you are interested in participating, contact me. Additionally, we have an Audio/Video Team coordinated by **Ed Hueslein** and a Setup/Cleanup Team now coordinated by **Cecil Cox**. We are adding a Greeting Team coordinated by **Tom Canfield** and a Gallery Photo Team coordinated by **Pat Martin**. I encourage each of you to consider joining one of these teams as they are vital to the smooth operation of our club. Contact these Team Coordinators for details.

Third, two key club functions (Treasurer and Program Director) will have assistants to backup **Archie Stivner** and **Ken Terrell**. **Charles**

**Brooks** will be joining Archie and **John Leonard** will be assisting Ken.

Fourth, we have asked **J.J. Altier** to be our Raffle Emcee to add a little zest to our raffle and to help Archie Stivner. We expect J.J. will add some of his humor to the raffle and in turn will increase interest and the purchase of raffle tickets. Remember, raffle tickets are a major part of the club fund raising. When added to the membership dues, this is what allows us to have world-class turners for our annual classes, Demos from non-members, Christmas Parties, Door Prizes, etc.

Fifth, **Ken Terrell** has gotten **Mike Mocho** to be our world-class turner for our summer classes in August this year, instead of June. The classes will again be in my shop in Mineola and I encourage each of you to sign up as soon as Ken announces sign up. Watch the website for more info about times, subject, etc.

December 2009 Christmas Party

**The Prez Says continued from page 1**

As you can see, we have many new things for 2010. Hopefully, these will ensure that when combined with our current activities and resources of Demos, Mentoring, Library, etc, East Texas Woodturners will continue to be a fun, safe, educational environment for each of us to further our turning skills, bring in new members, make new friends and enjoy our time together in 2010.

Finally, at this year's SWAT, **Brian Laing** from Houston put on a great demo showing how he makes his simple finials. For our next meeting on January 23<sup>rd</sup>, Brian will be showing us how he does rim and bowl profile decorations.

Hope to see ya at the meeting Saturday,

**PAC**

**Empty Bowls 2009-2010 Update**

The club's Empty Bowls program has a total of 81 items donated as of the end of 2009. We only have a couple of months left to submit contributions and we are considerably behind last years contributions at the same point in time. Now is a good time to get into the shop and get busy creating items to support this worthwhile charity. As in previous years, each month's participants will be eligible for the drawing of a nice piece of wood for that month, and a \$100 gift certificate to be drawn at the completion of the program in 2010.

– Ken Terrell
