Meeting at TJC West

January 5, 2013

The Prez Says:

Hello ET Turners,
First I would like to say, Thank You for allowing me to be your ETW president. I will try to do what is needed for the club and

expected of me.

Second I would like to thank **Wayne Smith** for doing a tremendous job as our president last year. Next I would like to thank all of the people behind and in front of the scene who make this club possible. I hope that all our members understand and appreciate what kind of work is involved in making this all happen. It would also be a good time for members to think about stepping up and helping in any way possible.

I'm very happy to tell you that **Mike Gray** is making a great recovery from his surgery. I hope everyone had a great Christmas and Happy New Year.

Now from what I see we've got a great year of demos coming up. I think there will be something to catch everyone's interest. If anyone has any ideas about demos they would like to see, please let us know.

We can always use help in setting up and cleaning up at every meeting. So

once again thanks and I look forward to seeing everyone at the meeting. Be safe and careful whenever that lathe is turning. ne other note is that we have the BEST MENTORS in Texas so you guys need to use them to help improve your skills.

See you at the meeting – Danny

Welcome New Members

ETW had 1 new member join in December. Please welcome **Charles (Bill) Preston** to the club.
