## Meeting at TJC West

July 7, 2012

### The Prez Says:

Hello ET Turners,

Our July meeting will be on the 7<sup>th</sup>, which is off schedule again. For the next four months starting in August, we will be back to the second Saturday schedule again. MOST Day will be on the 21<sup>st</sup> at Paul's shop in Mineola.

I am sure that those who attended the meeting last month and the three one day hands-on classes, were well pleased with Bob Rosand's demonstration. It was educational and entertaining. He did a great job. I know that I got my money's worth.

**Sharon Ayers** will be our demonstrator at the July 7<sup>th</sup> meeting. Her topic will be "*Jerusalem Stone Platters*". Be sure to make plans to be there.

I received some information about the *Desert Woodturning Roundup* which will be held in Mesa, Arizona, February 22 – 24, 2013. If anyone is interested in attending, there will be some pamphlets on the Library tables at the meeting. See me for some registration forms.

Today I started thinking about the amount of decision-making we turners

do during the process of turning something. It seems almost endless. There is no specific order in which we have to make a lot of these decisions. A lot of them are done before we get started; a lot are done during the process. You can't turn without making some decisions first. It really is a complex process.

For me, turning is a hobby. I have had a lot of hobbies, but never one that requires as much decision-making. It is all part of the enjoyment, isn't it?

See you at the meeting – **Wayne**

Three lucky winners of some of Bob's demonstration turnings.

Bob Rosand, from the woods of Pennsylvania, provided three excellent hands-on classes and an exceptional June meeting program for ETW.

A big THANK YOU to Steven Hagler for sharing his photos.

## **July 7th Club Meeting Demo**

This month we are fortunate to have **Sharon Ayres** from the Greenville Club as our demonstrator.

Sharon will be presenting techniques of producing an Eli Avisera "Jerusalem Stone Platter". I have not seen Sharon's demo but am told it will be enlightening and of interest to all. In that Sharon will be making the effort of driving from the Dallas area and arriving by 8:00 a.m., let's make her welcome with a large turnout. – **Ken Terrell**

## **SWAT 2012 Instant Gallery - Attendee Signup**

Last month many of you signed up to work in the Instant Gallery that ETW sponsors at the SWAT Symposium. If you missed this list or were not at the meeting, I will be passing around another form on the 7<sup>th</sup> for any additional people that could sign up.

At this time I have the schedule completed but some will be pulling double duty. Additional help will allow me to relieve those presently signed up and spread the duty around as the Instant Gallery is an ETW club function.

See you Saturday, July 7 with form in hand!

– **Ken Terrell**
