Meeting at TJC West

June 9, 2012

The Prez Says:

Hello ET Turners,

June 6, 7 & 8 will be a busy three days at **Paul Coppinger's** shop with **Bob Rosand** teaching hands-on classes to 24 ETW club members. Those who attend are in for a real treat. We want to thank Paul and Donna for hosting this event. They always do a super job.

On Saturday the 9th Bob will be our guest demonstrator. Plan on staying until 3 PM. I am sure you will not be disappointed. **Ken Terrell** will be ordering sandwiches for lunch, so if you want a sandwich, contact Ken and get on the list for the kind you want.

Someone left a square bowl after the April meeting. It has "Studio 190" on the bottom. See me at the meeting on June 9 if it belongs to you or if you know who signs their work that way.

The club challenge was a big success last month. Everyone seemed to enjoy it. All four teams did a great job. A big thanks goes to **John Leonard** for suggesting we have it again, and also for organizing it.

The East Texas Woodturner's Steering Committee has appointed **Danny King** to fill the unexpired term of **Darryl**

Roberts as ETW Vice-President.

Please give Danny a pat on the back and say thanks when you have the opportunity.

Hope to see you at the meeting.

— **Wayne Smith**

Bob Rosand Demo Alert

Saturday, June 9th should be one of our standout ETW club meeting days. Bob is an outstanding demonstrator and will be presenting a number of projects that are in his line of specialty.

This meeting will go into the afternoon, so plan to stay past lunch. We will be bringing in sandwiches to prevent having to go out for lunch. If you are not on the sandwich list, contact Ken Terrell at kpterrell@suddenlink.net or call 903-839-4735. See you all on the 9th! – **Ken Terrell**

Club Challenge Post Script

WOW!!! What a great session the 2012 Club Challenge was. We have never had such complicated pieces attempted before. **Team Coppinger** made a Southwest form with texturing, **Team Tate** made a Beads of Courage box with color enhancement, **Team Ford** made a thin walled goblet, and **Team Trimmell** made a side grain natural edge piece. I was very proud to see all the instructing that went on, not only between team members but to the audience. It got exciting with about 25 minutes left when the power went off from a blown fuse. In my opinion, all four teams were winners. By vote, the three detail gouges went to **Team Tate**.

Well done to all four teams. – **John Leonard**

SWAT 2012

August 24, 25 & 26, 2012

The 2012 SWAT Symposium is approaching at a rapid rate. Hopefully, you have made your plans, registered and have hotel reservations. (This information is available on the website and the new online registration is a snap!)

<http://www.swaturners.org/>

The 2012 symposium should prove to be another interesting and informative event with a lineup of eight National Leads and a great collection of Regional Leads, including our own **Charles Brooks**. I know Charles would appreciate your support.

As in 2011, there will be two large lathes raffled off again this year, a Powermatic and a Vicmarc, along with many other quality woodturning tools. Unlike 2011, an individual may only win one of these lathes this year.

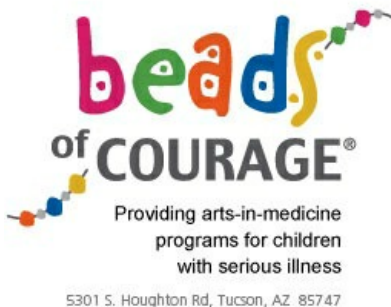

Beginning at the June 9th ETW meeting, I will be asking members to sign up for staffing of the Instant Gallery of which ETW is the room sponsor. ETW's sponsorship of the Instant Gallery has always been one of the highlights of the annual SWAT Symposium and this year will be no exception. – **Ken Terrell**

ETW SWAT Director

SWAT Scholarship Drawings

Once again this year, SWAT has provided ETW a registration scholarship (value = \$130) to be awarded to any club member who has never attended a SWAT symposium. In addition, the ETW Steering Committee has voted to match SWAT's generosity by awarding an additional, like scholarship. The scholarships are for the base registration fee for one individual. The cost of the banquet or additional attendees is **NOT** included. A drawing for both these scholarships will be held at the July 7, 2012, meeting. You must be in attendance to win. – **Editor**

The ETW Steering Committee is recommending that members participate in the **Beads of Courage** program. This program aids children undergoing treatments for cancer. **Tom Crosby** is the ETW representative for this program. Check with him for more information or go to <http://beadsofcourage.org>.
