The Turning Times is published monthly as an information source for members of the East Texas Woodturners (ETW). ETW is a chapter of The American Association of Woodturners (AAW) and is committed to serving woodturners in the East Texas area surrounding Tyler, Texas. The ETW Chapter joins with the AAW in its dedication to providing education, information and organization to those interested in woodturning.

Meeting at TJC West

October 10th, 2009

The Prez Says:

Hello ET Turners,

It's sure been nice to have a little cooler weather the past week or two. Makes it easier to get in the shop to turn, and if your wood pile was as big a mess as mine was, it gave me an opportunity to get it organized to some extent. Sure looks somewhat better.

Anyone that's been interested in adding fluting to their turned bowls and vessels surely received all the details from **Ken Terrell** during the September demonstration. Ken presented his technique for fluting with details about design, the best woods for fluting, tools best suited to fluting, and an array of finished fluted pieces. Another outstanding demo by Ken.

The October demo will be by **Jimmie Arledge** from Dallas. We do not have a demo title as of "press" time from Jimmie, but it should be entertaining and educational.

Please remember that we will have an election for club officers at the November meeting. If you are interested in serving as an officer, please let **Tom Criswell, Walter Tate or Ed Huselien** know your desire to serve.

We will pass around a signup sheet for attendance to our Christmas party on Dec. 12th. We need to get a count in order to have plenty of food. If you plan on being at the party, please sign and give us the **total number** attending from your home. If a couple is attending the meeting, just one needs to sign and enter total of two for the couple, or enter the total including children or visitors that may come with you. The Steering Committee will meet on December 2nd to finalize plans. If you are not in attendance at the October or November meeting and plan on attending the Christmas party, please call or email me with above info before the December 2nd SC meeting. 903-216-5564 or cbrooks@suddenlink.net

The **Setup/Clean Up** volunteers for October 10th are: **Robert Trim-mell, Bobby Barron, Jack Day, Jose Alanis and Denny Burd.**

Keep a sharp tool and let the chips fly, **Charles**

SWAT: It's Almost Here

Howdy Ladies and Gentlemen:
OK, this is it. For those who have not finalized your plans for the 2009 annual SWAT symposium, you only have a little over a week to do so. 2009 promises to be a banner year with a diversity of demonstrations that we have never had. Additionally, the 2 for 1 Raffle should be specially exciting with 37 turned items donated and raffled off during the Saturday evening banquet, and a Sunday lunchtime Tool Raffle that any woodturner would appreciate, culminating with the grand prize raffle item, a Powermatic 3520B Lathe. So rethink your schedules and join us for a fun 3 days in Wichita Falls!

And, don't forget your credit card. Vendors will be selling their special turning items - many at "Show Discount" prices. Just think, discount prices plus no shipping! Mark your calendars. October 16, 17, 18 in Wichita Falls, TX. Hope to see you there.

See you on the 10th,
Ed

Empty Bowls 2009-2010 Update

The club's Empty Bowls program has a total of 51 items donated as of the end of the September 12th meeting. Sixteen of those items were donated in September (see picture below). It is still early in the program and donations will hopefully pickup as ideal shop weather approaches. As in previous years, each month's participants will be eligible for the drawing of a nice piece of wood for that month, and a \$100 gift certificate to be drawn at the completion of the program

Attention Segmented Woodturners

Ben Gallagher would like to inform the membership of a new AAW web-based (virtual) chapter for woodturners interested in segmented turnings. With Malcolm Tibbetts (President) and Curt Theobald (Vice President) leading this organization it should really be useful to interested woodturners. You can get further information at the club's website: <http://www.segmentedwoodturners.org/>

September Show and Tell Table

Congratulations

A pat on the back goes to **Keith Gilbert, Jr.** for winning first place in the Men's Woodturning category at the East Texas State Fair last month.

SWAT Articles Needed

I'm looking for a couple of members to write a paragraph or two about their experiences at the 2009 SWAT symposium for the November newsletter. Serious or humorous, long or short – your choice. If you're interested or would like more info, please email me at the address shown on the masthead. - **Editor**
