## Meeting at TJC West

September 12th, 2009

### The Prez Says:

Hello ET Turners,

I'm sure any member who missed the August demo by **Paul Coppinger** has probably heard by now that they missed one of the, if not the best, turning lessons ever presented in our club's history. This was a gem of a demo, especially for new and beginning turners, and also a refresher course for some of us old coots that have been turning for awhile.

The September demonstrator will be **Ken Terrell** showing his techniques for the beautiful "**Fluting**" that he does on his bowls. Ken did this demo for the Ft. Worth club awhile back and now it's our turn. This will be another demo that you do not want to miss.

As announced at the meeting last month, it will soon be time to elect club officers for 2010. If you are willing and ready to serve as an officer, please contact one or all of the nominating committee members, Chairman **Tom Criswell, Walter Tate or Ed Heuslein**. The election of officers will be held at the November 7th club meeting.

The **AAW** has information on its website, [www.woodturner.org](http://www.woodturner.org) for the

**EOG** (Educational Opportunity Grant). These are available for **AAW** members only. You may find all the details on the website, or if you are not online, call me or one of the officers for details. Deadline for the applications submission is January 15, 2010. This is another good reason to be a member of our parent organization.

The Steering Committee met Sept. 2nd to handle club business. We are still meeting quarterly plus a lot of email time, (next meeting December 2nd, 1:00pm TJC Room 101) and members are certainly welcome to these meeting. We would especially welcome members that are on committees to handle the Christmas Party December 12th.

The **Setup/Clean Up volunteers for Sept. 12 are; John & Dotti Roberson, Michael & Tannin Bertino, Don Derryberry, John Merritt, Jose Alanis and Mark Anthony.**

Keep a sharp tool and let the chips fly,

**Charles**

## Great Items for Show 'N Tell Raffle

Most of you know that whoever brings something for "Show 'N Tell" get's a raffle ticket for a drawing. This month the two raffle items are a 10"x10"x3" block of "Andiroba" from **Woodcraft** and 7"x7"x4" block of "Granadillo" from **WoodWorld**.

Now, if you win and don't want either of these, no problem. I'll be happy to take them off your hands.

So, let's see some more participation in **Show 'N Tell** this month.

And, next time you're in **Woodcraft** or **WoodWorld**, tell them thanks for their generous donations.

See you on the 12th,  
Ed

**August Show and Tell Table**

## Empty Bowls 2009-2010 Update

The club's Empty Bowls program. is off to a slow start with only 39 items donated as of the end of August. Fifteen of those items were donated in August (see picture below), It is still early in the program and donations will hopefully pickup as Fall gets nearer. As in previous years, each month's participants will be eligible for the drawing of a nice piece of wood for that month, and a \$100 gift certificate to be drawn at the completion of the program in 2010. – **Ken Terrell**

## Interesting Woodturning Video From 1926

This video (link below) was brought to my attention through an online woodworking forum, and I thought some of you might enjoy watching how a bowl was turned in 1926. It definitely makes me appreciate my modern tools. Don't miss the turner using a sinister looking hook tool to hollow the bowl's inside. Talk about a catch waiting to happen. And it is the first time I've seen a screw-chuck used to mount the bottom of the bowl for hollowing. Woodturning is definitely easier today.

Enjoy - **Editor**
